## ZETA ON TOUR

Swedish sex star ZETA is commencing a Nationwide tour of a selection of adult shops commencing 16th April and continuing to 9th June, during which she will be talking with shoppers and revealing the sensational physique which has made her the most sought after talent in sex films. See the ad in this magazine for details of when ZETA will be appearing in YOUR town! ZETA is the sex symbol of 1984, due largely to her starring role in the ZETA VIDEO SHOW No. 1 in which, she and her sexy friends provide some outrageous sex action, the likes of which have never been seen in a UK sex videotape. ZETA's video is on special offer in all ADULT shops to coincide with her tour, at only £24.95 or renting at only £1.95. See the list of ADULT SHOPS on the back cover for your nearest stockist. ZETA's other smash hit sex film is, of course FANTASY MANOR - the film that made her xxxrated reputation. ### VIDEO DISCOUNT VOUCHER

**An important and urgent announcement to all video owners.**

*There is currently a Bill going through Parliament that will make it illegal to sell any videos other than certificated X-films (and you know how soft THESE videos are!). This will be law in just a few months time, so now is your LAST CHANCE to buy uncertificated HARDCORE FILMS. Adults Only shops have tens of thousands of such films to clear before the Bill become law, and they will have to destroy all their stocks or hardcore films. As a result of this, they are discounting all their hardcore films (this offer does not apply to X-certificate films, only uncensored films). Take this voucher to any Adult Only shop and they will reduce the price of any single video by £2, any 2 videos by £4.50 and any 4 videos by £10. Only one discount allowed per purchase. See the back of this magazine for the address of your nearest Adult Only shop.*

# A ROGUE AT LARGE

***EDITOR. Last month we learnt something of Derek's life style, a real bastard as far as taking advantage of married women... sure, but as he pointed out it takes two to tango! He is thirty seven, an insurance agent and very sexually motivated, we heard about Pauline and her eventual request to him to take what he wanted, he showing his hard streak when he informed her that should she want to be with him again she would have to be prepared to perform orally. He gave us the benefit of some of his memories, like the plump Sally, just twenty and not long married when he had met her a couple of years back. All tearful and wanting only sexual masturbation, of course our tame rogue had agreed and then taken full advantage when she was really worked up into a frenzy. She had become a regular screw for Derek after that, we know from readers reactions that most of them consider Derek to be a 'dog', sort of love to hate character. We left last month as Pauline was about to meet his demands at their second meeting, her husband on nights and her kids with the grandparents, Friday night in November and around nine thirty. Derek armed with a bottle of vodka slipping into the back yard of her terraced home and soon getting down to business... now read on...***

PLAYBIRDS Continental FICTION

It was warm inside the back parlour with the gas fire full on, me down to my shirt and slacks, the tense Pauline kneeling between my opened knees. My fast erecting cock jutting in search of attention, 'Down, pet, down for a taste eh?'. I saw the tremble run through her body as she lowered her face, then stopped dead as her cheek rested against my huge tool, I rubbed the engorged member across her smooth cheek and pressed it to her lips in invitation. Knowing she had never indulged in fellation previously only served to heighten my pleasure, 'Open wide, Pauline, open for me.' A slight shake of the head that excited for it caused her tightly closed lips to brush the sensitive knob, 'Oh, but you will, darling, thats if you want cocky inside later?' I heard her whimper softly, then slowly her lips began to open, the moment they parted enough I pushed the bulb therein. A gurgling moan as I experienced the thrilling sensations of invading her warm mouth, deepening the connection while she swallowed hard to cope with the unfamiliar nature of the act. Yet like so many women who I have introduced to oral she soon learnt!

Within a couple of minutes the darling was sucking me sweetly, me giving instructions as she tongued her way round the glistening knob before popping it back deep. When I had insisted on oral from Pauline I hadn't had it in mind to take it to conclusion this first time. Yet the longer she sucked on me the nearer the inevitable became until I could feel the semen boiling in my sac, ah well might as well show her what she had caused. The emotion of the moment hit me, I lifted up from the chair and my cock ran into her throat where it pumped out its creamy load, I heard her give a muffled squeal. Then there was swallowing like mad to cope with the flow, her lips tightly closed round my jerking pecker as it continued to jet out. I love oral sex, settled back into th hard wooden chair basking in the warmth glowing in my crotch after her lovely service. I eased up her head, a stray trickle on her chin as evidence of what had occured, her eyes wide and shocked it seemed. 'I... I did it, Derek... Oh Lord, I did it...' I stroked her cheeks gently, 'Sure you did, pet. It was not too bad surely?'. Pauline shook her lovely head, smiled at me. 'It was... oh so different, when you came I thought I'd die... but it was exciting to know I was swallowing your seed... I don't feel dirty or anything, just rather proud that I did it.'

I pulled her to her feet, unzipped her skirt and dropped it around her ankles, ruckled up her sweater and tugged it over head. As I had suspected, her only two garments so that she was thus naked, shivering slightly as I tweaked her prominent teats once more. Not a lot of tit, but gorgeous nuts for nipples this one, I bade her lie in front of the gas fire and spread wide as I calmly stripped off the rest of my gear, standing above her looking at her exposed quim. 'One good turn deserves another... so they say, pet.' She knew what I meant, had thrilled to my oral service last time. I knelt down twixt her wide flung, shapely legs and was fast to attach myself to her twitching cunnie lips. Tasting the sweet juices already oozing freely as my artful tongue lobbed into her labia and began to work her quim into a lather of feminine arousal. Unhooding her clitoris for a furious tongue lashing that had Pauline wiggling her bum over the rug, me in pursuit to stay in contact and drive her upt the steep spiral into orbit. Her thighs clamping round my head, her moans loud as with a heavy downward motion she exploded, her whole crotch soaking with her lovely outflow as she peaked madly.

Of course I had to hear al the sorry background as we lay recovering on the rug, how Dave had

never done anything but had conventional sex with her, how she had oft dreamed of a lover who would do all manner of things with and for her. Already me pencilling her into my mental notebook as a 'regular' poke on the circuit of sex starved ladies who gave me all the satisfaction I needed. She wanted me to stay until the early morning, Dave not due home till seven... too risky I told her, we had a couple of vodkas, smoked a ciggie and then went upstairs so that I could fuck her firmly. A long, slow grind, during the course of which Pauline came off several times before I poppedmy second dose of roe. This time deep into her receptive vagina with her clinging on grimly, I left just after midnight with the promise to answer her call when next she could clear the path for a further session, I guessed it wouldn't be long, hoped not, as she was a very sweet shag indeed!

I told you last month of my seduction of the plump Sally, that started two years ago, that was still in being on a once or twice a month basis. Now I would like to relate some of my other experiences in the lucrative field of insurance, no man ever combined business with pleasure better than I. I reckon one of the most unexpected occasions was with Kath and Bill... let's see, that would be all of five years back, me thirty two then. A mutual friend introduced us, they had dealing with me and recommended the couple to seek my advice on insurance matters. I called one Wednesday evening in April, we sat in the front room of their neat little semi detached and I went through the patter with them. She seemed keenly aware of the benefits I extolled while Bill was a bit morose and sullen. Right from the tip of her auburn hair to her red painted toe nails Kath was a gorgeous woman, I gauged about twenty five, they both at work... no kids and enough money to meet my premiums easily. The deal set up, me to call Friday at eight with the final papers drawn up, that I did with a mental note of the healthy commission due to yours truly, I got up to leave arond nine when Bill suddenly suggested a drink. I saw Kath frown, shrug and fetch her coat so that the three of us walked to a nearby pub... now I like a drink but Bill was like a fish, honest he must have downed five pints in the next hour. He went to the bar for yet another refill, me on halfs and Kath sipping only her second martini. 'Thats the trouble, Derek, he drinks so much he can't get it up... I mean he just falls to sleep.'

Green lights flashing in my brain as I smiled at her, 'Never?' She looked serious, 'Hardly ever, maybe once a month if I'm lucky.' His return halted our conversation, me then falling into my usual 'rogue' role and making sure his pints kept coming. At half ten we literally had to be one either side of him to help him back to their house, once inside I helped her upstairs with him. Leaving her there to sort him out as I went down to the lounge, I lit a ciggie and wondered if Kath was ripe for plucking?

I suppose I had consumed around three pints, needed the loo and stubbed out my ciggie as I went into the hallway and utilised the facilities of the downstairs cloakroom. I had just finished when I got that prickly feeling in the back of the neck, I heard the door being pushed open and chose to turn around without putting my cock back in my pants... sure enough it was Kath, her eyes rivetted unto my fat penis. 'Hi... Bill asleep?' She looked up, flashed me a smile. 'Out for the count, Derek.' I made no attempt to hide my gaze as it took in the sight of her stood there in the doorway, a black satin quilted dressing gown covering neck to mid calve, bare footed and lovely. I pulled her into the small room and kissed her fully on her red painted lips, her mouth immediately agape and her tongue entwining with mine in blatant fashion a sI stabbed in and out in simulated copulatin. Asking the question, getting the answer as one cool hand dropped unto my cock which at once started the fast erection act. Kath squirmed in a little closer, her fingers testing the full length and girth of my chopper. 'Its lovely, Derek, ever so hard and long... I want it.' Talk about stating the obvious! Sure she wanted it and I held her a little apart so that I could slip the single waist tie, oh God what a lovely pair of knockers, two white mounds each capped with a tempting teat that was already filling out as witness to her emotional arousal. I stroked her tits, she trembled and urged me to take her back to the lounge. I've got to admit that my excitement was heightened by the knowledge of her old man snoring in a drunken slumber upstairs. I eased the gown off her smooth shoulders, saw that a simple pair of white briefs covered the ominous bulge of her pubic bush. 'This natural, pet?' Me stroking her shoulder length auburn hair, she smiling. 'One way to find out, lover.' Streuth, this one wasn't going to give me any tears and sob stories as a preliminary to fucking.

Both hands into the elasticated panty tops, easing down while Kath wiggled her curvy rear and those brief knickers fell around her ankles where she kicked them free. A natural! Gorgeous curly auburn hair sprouting from her crotch, I stroked her quivering flat belly she with her legs apart to ease access into her hot pussy, 'You want t suck or fuck, pet?' ...I mean I just knew it was that sort of situation, she was as randy as hell and answered me equally firmly. 'First we fuck, then we suck, Derek.' Alright by me, I lowered unto the settee, looked down at that enticing sight as I stripped. Kath easing herself into a gorgeous pose with one foot on the carpet and her other shapely leg stretched out over an arm of the settee, her fantastic crotch thus spread for my delight. She sighed happily as I settled in above her, began to suckle her soft breasts lovingly while she wasted no time in handling my kingsize cock. 'Derek... this is lovely, you are so big, lover... give it to me sooon...' Lots more besides, all designed to boost my ego to the stars as I fingered her wet cunnie and opened the way for my tool.

Her eyes fixed to mine once I piloted my knob up into her mushy labia, her face wreathed with a greedy smile as I began to take possession of her super love tube. God... what a woman, her pelvis fluid as she practically sucked me home into her neglected vagina. A vagina so warm and exciting that I was soon poking right up to her womb entrance it seemed, she making a lot of noise and hanging on as she worked out an orgasm for herself before I even started to fuck. That peak bathing my cock with a flush of hot juices that really sent the senses reeling so that I ploughed her furrow like an animal. The harder I stuffed her the better she liked it, giving as good as she got as she met each stroke with a powerful uplift of her pelvis the better to enjoy the act. My spunk seemed to start in my toes, rushing right up as I banged Kath wickedly, my fat erection flashing in an out of her gripping cunnie at an alarming rate, I latched unto her left teat and bit as the thrill of ejaculation burst forth and I spat out my rich cream. She squealing with emotion as the full force hit her na dshe orbited into another massive climax, my God it was like a poking a pot of honey so sweet the blossoming at the moment of mutual splendour. I held her tight as we rocked away from the peak, kissing and cuddling fervently.

My softening tool slipped out of her quim, Kath gave a disappointed sigh as that occured. 'Oh, lover, get hard again soon. That was the best screw I've had in ages.' Putting words into action almost immediately, her auburn hair bobbing as she dropped into my groin and made me quiver with her mouth wrapping around the glistening knob. Streuth, Kath was a really wanton bundle with her lips, sucking my bulb hard and playing with my balls lovingly. I wanted part of the action, soon had us rearranged on the floor so that I could lick into her split while she continued the marvellous oral service on my reengorging prick. She tasted so good I was soon guilty of an excess of attention to her quim, my tongue travelling all over her crotch, digging into her cleft to unhood her clit. I know just where to kiss a woman down there, it never fails to get them going for the whole key to their sexual mechanism is geared from that oft neglected little spot.

Indeed Kath drew my tool right into the back of her throat almost as soon as I stimulated her fun button, closing her cheeks in hard against the rigid organ and clasping my balls with a free hand. I had to concentrate to stay in contact with her quim as her aroused emotions caused her to shuffle across the carpet, her mouth withdrawn from my cock as she squealed her way through a gigantic climax that lefter her whole cunnie awash. Me quick to taste the glorious juices as I tantalised her further still with my mouth firmly latched to her pulsing slit. She started gobbling again having again having recovered a degree of sanity, licking languidly up and down my shaft as I rolled unto my back. It was great simply to lie there with Kath giving all manner of thrills, I was nowhere near spending again after that furious

To: GSP Ltd. 2 Godstone Road, Whyteleafe, Surrey fuck we had enjoyed, knew I could withstand a hell of a lot of her sexy attention without exploding. To me that is one of the greatest pleasures as I lie there and anticipate the thrills to come, yes I do mean COME! Eventually I eased the eager Kath up unto her knees, knelt with her and played with her fine tits. 'Baby, you are wonderful.' She smiled happily, 'I want it again, lover, my pussy is crazy for your prick.' Which, lets face it, is pretty basic. She got it again, right there on the carpet, her legs drawn up then flopped apart to spread the pink delight. Me atop and driving my thick tool straight into the gorgeous tunnel, filling up her greedy snatch with my hot meat as she groaned in delight. Once safely enveloped in her love tube i stayed the action, held her close and kissed her lips long and hard.

I fucked her gently at first, then control vanished a I took up a firmer line, Kath equally active as she brought into play her little pelvis. Soon our bodies slapping together as we moved rapidly up the side of the mountain, each intent on achieving maximum pleasure. It was good, so bloody good as I let fly, she squirming violently as yet another orgasm wracked her body. We disengaged, looked adoringly at each other, 'Derek I want this to happen again.' A simple statement of fact as far as Kath was concerned, nor was I arguing, she had my number and if her old man was stupid enough to get so pissed he couldn't service her then I would willingly step into the breech. I told her that, she nodded. 'Then I'll ring when I can, lover.' It was almost two a.m. when I got back to my motor, glowing warmly on the way back... not a bad night's work, a healthy commission for the sale and another bird to add to the list.

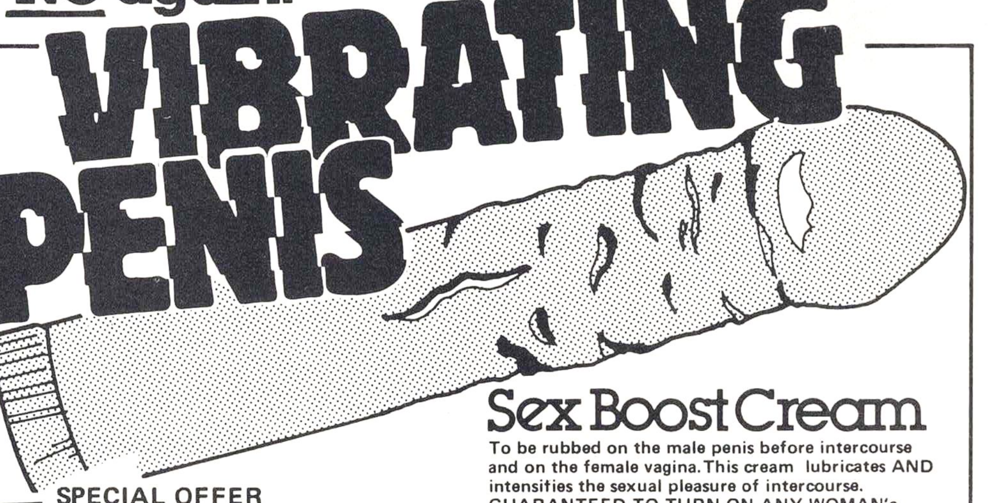
It lasted only just over twelve months, they moved way up north with his job, we had a pretty hectic farewell screw. Funny thing is I still get a Christmas card and keep promising I'll visit, maybe one day I will.

I suppose that you will be thinking that it all comes 'Easy', that females just line up to drop their knickers for me? That isn't strictly true, I've often enough come across hard nuts to crack and I'd like ot tell you about Wendy. She is the wife of a guy who came to me on an insurance matter some three years ago, in fact I didn't meet her for some six months after we had done the first deal. When I did I was champing at the bit right away, a blond, golden fair hair bobbing on her shoulders. A sort of peaches and cream complexion, almost doll like and perfect in every way, yet she soon put me in my place when Vernon, her husband, hapened to be out when I called. I had tried an old line with regard to her being so attractive, 'I have heard about you, Derek, your reputation is fairly storng. May I say that from the outset that I am not impressed, that I am proof to any flattery you or any other man can produce. I love my husband, I get all I need in bed. Is that clear?' I shrugged, grinned at her. 'Of course, but who can blame me for trying with a beauty like yourself.' In fact the opening brush simply served to make me determined to make her approachable! Thats me, I like a challenge and guessed that Wendy would be a delicious morsel to savour should I be successful, I wracked my brains for the best scheme, didn't come up with anything for a while.

My chance came unexpectedly, Vernon contacted me at the office saying he wanted to discuss increasing his life policy, could we meet at the George on Wednesday night? We did, settled the business over a pint or two, he went onto scotch and became increasingly confidential. Showing me a snap shot of his pretty dolly, telling me it was a typist from his works office, that this weekend he was taking her to a chalet in Wales! He grinned as he said that Wendy accepted his story of a sea fishing trip with the boys, while yours truly simply extracted his departure time Friday and anticipated arrival back... already my fertile brain clicking to gear, planning ahead for seducing his wife! Why not? He was playing away at the weekend, why shouldn't I step in and claim some sexy play with Wendy?

I arrived home at nine o'clock that Friday evening, acting well, telling I was sure Vernon had arranged it for us to meet there. I detect a slight softening in her attitude, I mean blokes thing they are so bloody clever when deceiving wives when all the time the female knows the score. I was invited in, looked at her gorgeous figure clad in a simple blouse and skirt, once more struck by her pefection in every department. Vernon must be crackers to leave a dish like behind in favour of a dolly who would probably soak him for a load of cash and prove useless between the sheets. I suggested that she might like to go out for a drink, at first she demurred but then said alright, so that by half nine we occupied a quiet corner in the local. That a good sign in my book, meaning Wendy was not averse to being seen by neighbours, after a couple of stiff gins she began to be more open. Jokingly I suggested that Vernon might not be fishing at all... it hit home, she flashed back. 'Oh, he is fishing alright, angling after some young girl from the office if I know him.' Bingo, my pecker giving a couple of jerks in anticipation, yet if I thought that the doors were open I was mistaken. I started in on the seduction chat,

**She'll never say NO again!**



A viciously effective 'whip—hand ' stimulator ( available in black or white) as favoured by the ladies of the Brazilian aristocracy.
Its unique snake like action mercilessly activates the nerve ending of the vaginal orifice, nerves that are by-passed by the conventional vibrator ( which is active only at the tip).
This unique action also stimulates the lubrication duct and women who thought they knew themselves well, report a massive increase in fluid emission, after just a few moments alone with the vibrating penis.
It is contoured according to the penis of a donkey(which has more pleasure giving bumps and ridges than the human penis ) but is sensibly proportioned at 7½ inches long.
Until very recently the vibrating penis was a black market item selling at £10.00 or more, but we are able to offer this brand new concept in female stimulation at a more reasonable price of £3.99 POST FREE

AVAILABLE IN BLACK OR WHITE.

Wendy was quick to put me straight. 'I know you want to get into my panties, Derek, its written all over your face. No chance, I've had my fill of men... well, let's say I'm off them at the moment. One track minds, I need sex like I need a hole in the head.' Ah well, on with the gin and chat in general, last orders called and me wondering if I was going to make any sort of progress with this delectable lovely? We took the short walk back, paused by her front door. 'Coffee?'.

Ah well, at least an invite back in. Already I had in mind the need for a direct, taunting approach, knowing that should it fail then I could forget about ever getting to bed with this one. I settled myself in the lounge while she made the coffee, we sat on opposite arm chairs sipping from fine china cups, me making on attempt to mask my obvious attraction to her fine body. Wendy not coy or embarassed, simply not reacing at all until I put down my coffee cup and unzipped my slacks! I told you it needed direct action, I watchd her face as I lobbed out my fat prick, noting for the very first time a flicker of surprise played around her eyes and her mouth gaped ever so slightly. She was quick enough to adjust, gave a toss of her pretty head. 'Am I supposed to be impressed, Derek? The loo is at the top of the stairs if you need it.' Game lady this one! Whatever her inner thoughts her eyes stayed latched unto my tool as it began to stiffen up to a semi rigid state. 'I wasn't trying to impress, Wendy, simply illustrating that I have nothing to hide.' She bridled at that, 'And you think I have?' I shrugged 'Couldn't say, but I know an awful lot of females who cheat on mother nature with padding and paint.' She laughed, a hard sound, her blue eyes flashing. 'You think that what you see may not be all mine?' I licked my lips, 'Prove me wrong then, I'll bet you daren't?'

I held my breath, Wendy looked at me hard, the after perhaps half a minute of indecision started to unbutton her blouse. That done the garment tugged free from the waist band of her skirt and her arms slipped free, I gazed in lust at the luscious white skin, at the frilly half cup brassiere covering her breasts. She paused, almost as if she wanted me to tell her she need go no further. I'm a rogue, remember? 'Designers are so clever nowadays with wiring to lift boobs, hidden inserts to swell them.' She snorted with anger, reaching down to unclasp the bra, wriggling her shoulders to slip down the straps and then removing the sling quickly. Oh God, superb perfection, twin mound of firm white each capped with a gorgeous looking nipple which remained slightly crushed from its recent restriction. I made a mistake by standing as if to go to her, 'No... no, Derek, I can't stop you looking but I don't want to be touched.' I slumped back into the chair, my mind racing to keep up the pressure to ensure that Wendy didn't escape from my clutches. 'Do you favour tights or stockings, Wendy, I hate tights really. They make it so hot and sweaty in the crotch, stockings give a lady so much more freedom. Don't you agree?'

She did not respond at once, I saw that her darling teats had begun to engorge, a good sign of her reluctant arousal. Then she actually smiled, a lovey gesture. 'You devil, no wonder you have such a reputation. Alright, I agree and always wear stockings, you're right, they are far fresher.' She anticipated my reaction, 'See'. Standing up she lifted her skirt high enough for me to catch a glimpse of white thigh above stocking tops, to see the thing straps of her suspender belt and one leg of satin cami knickers. All too soon for my greedy eyes she dropped her skirt and smoothed it down, 'Satisfied, Derek?' Of course I wasn't, my cock by then fully erected which she saw, despite her earlier protestations she was now revealing a keen interest in the thick pole. I stroked it ludely in her direction as I spoke quietly, 'I knew a girl once whou wouldn't take off her panties, she wore cami knickers just like you. Reason being that she had so much hair growing down there, more there than she had on her head. She was like a gorilla, tufts sprouting from her thighs and bottom.' Wendy looked horrified, 'I'm not like that at all, Derek. Damn you, damn you to hell.' Venomous spite in her words, but there she was standing up and unfastening her skirt, letting it fall around her anklesa and kicking it away, hands thrust into the top of those lovely satin panties and easing them down while I sat back to enjoy the show.

Streuth, not a trace, not a single hair to mar the area! Wendy shaven completely smooth, my mouth suddenly dry as I swallowed hard to see the full glory of this naked beauty. Her retention of stockings and suspender belt simply heightening the full glory of the view. 'There... there you are then... I hope you approve?' Still the cutting edge to her voice as I stood up and rapidly began to divest my clothes until I was naked. She stood defiantly, hands on hips as if mocking me, not moving a muscle as I walked over and put my arms around her waist. Thrust my hard cock into her soft belly and bent down to kiss her sweet lips, for fully a minute no reaction at all and then she it was who broke the kiss. 'Derek... I... its been sometime, I'm very hot... I hate myself for what I'm doing...' Gone the hard veneer, Wendy just like a little girl lost as I fondled her perfect tits and reunited lips in a lustful kiss that left nothing to the

imagination as I stabbed my tongue in and out. Soon she cuddling in closer, one hand sneaking between our bodies so that she might grab my pecker and feel its throbbing power.

I didn't want to break the spell by suggesting we seek a bed, besides which I find fucking on settees or carpets just as good. Wendy moaning softly as I gently guided her backwards until she was down across the sofa, me in close and soon suckling into her gorgeous boobs, that she liked for once I began to titilate her teats with my tongue her whole body became a vibrant vehicle for my pleasure. I dropped my lips and and brushed them tenderly across her smooth belly, toyed in her navel for a few seconds which had her squirming wildly before I landed where I intended and easing her thighs open licked into her hairless crotch. My God, what a lovely sensation to go straight unto the puffy outline of her quim, to ease apart the split with the tip of my tongue and taste her sweet juices. I was tempted to lick her out, foresook my delight at that in favour of dipping my aching pole. Wendy completely in my power now as she looked up at me with those big, blue eyes. 'Derek, oh Derek... be gentle, lover, be gentle... you're so big and strong...' I piloted my wicked knob up into her outer folds, screwed it inside as she arched up to receive the offering. What a lovely fit, what a glorious thrill to take possession of her cunnie, firmly I deepened the connection as she panted lustfully. I brought a hand into play on her clitoris, tickling that fun button as I thust further up the gripping tube. She now wildly aroused, pumping her shapely bottom up and down on the springy cushions so that within a couple of minutes her lovely features creased into a mask as she peaked out beautifully. Bathing my rampant prick, causing me to quicken the taking, to plough deeper and faster with my balls aching to release the load. I held on as long as I could, then with a loud grunt spat my thick cream into the neck of her womb. Wendy clinging to me, kissing my neck as I spent my all inside her receptive quim.

'I thought you would split me in two, Derek... what a lovely thrill you gave me. I'm so glad you forced the issue... I mean I wanted it to happen, but needed to taunt me into submission.' See what I mean about the married ones? Always anxious to salve their guilt by blaming the ram involved in their downfall, still I wasn't complaining as the lovely creature kissed and fondled me once I had withdrawn my glistening cock. Lying there with her on the comfy sofa was peaceful, she then getting worried. 'Your car is still outside, Derek, what will the neighbours think?'

I could have said, stuff the neighbours, did not in favour of suggesting she either come to my place or I go and park my car a few streets away before returning. Her reply shook me, 'No... I need time to think, Derek. Best that you go now and I'll come to your house in the morning, I can get a cab.' Something in her tone of voice told me that it was useless to argue, I fondled her gently for a few minutes before kissing her goodnight. Redressed, driving back in my car I wondered if she would turn later today, for by that time, it was almost one a.m., I hoped so.

I was up at seven, showered, shaved and contemplating breakfast when the doorbell rang at eight fifteen! Surely not? Me in my towelling dressing gown alone, padding through and opening up to find the delicious Wendy on the doorstep with the cab just clearing the street. 'Hello, can I come in?' I ushered her through to the back kitchen/diner, noted the small case she carried. 'I brought my toothbrush, Derek, hope you don't mind?' Mind, the very idea of having her company for the rest of Saturday and through till Sunday gave me an instant erection! Wendy wearing an expensive, light weight linen suit, not a hair out of place and her makeup perfect. Giving again the air of complete unapproachability, yet I knew different and ached to get to grips with her again. To that end offering coffee, switching on the kettle and entwining her in my arms. The kettle boiled, switched itself off and still we stayed in embrace, mouths firmly latched in thrilling fashion and her suit jacket now lying over a chair back. My hands inside her opened blouse to loosen her bra, palms trembling to have her pert teats jutting erotically into them. 'I thought I was going to get a coffee, darling?' I grinned at her as I held her left boob firmly, 'You've got to earn it, pet. Bed, right now bed.' She did not object, simply climbed the steep stairs in front of me, my eyes glued to the delight of her shapely bottom and the underlying triangle of minute panties. Into the front room, the curtains still drawn closed, the double bed made freshly against her possible arrival. Standing together by the divan, me to strip her down to her stockings and suspender belt, she sitting on the edge of the bed to roll off her hose and unclip the support, me eyeing the delicious shaven crotch befr slipping off my dressing gown. 'Oh, Derek, I wasn't dreaming then... it is that big, I kept telling myself after you had gone that it was my imagination. Ohhhh... its lovely...' Her words as she stroked the bulging organ.

We stretched out on the bed, side by side and playing joyously with each other, My God, she smelt so bloody good. Know what I mean? Obvious that she had bathed and pampered that superb body recently, I nuzzled into her armpits and licked the deep hollows greedily, that she loved and squirmed around moaning softly, as I kept up the attention before transferring my warm lips to her breasts. I made a meal of those gorgeous mammaries, sucking at the nipples until they semed about to pop off the top of her tits. Nor was she idle as her fingers fluttered constantly up and down my prick, one hand down and around to cup my nuts in the hairy sac. Wendy in the mood to give her all, her body high strung and anxious to have my flesh connected. She soon in pose for possession once I began to finger up into her darling snatch, dipping my middle digit right up to the knuckle in her wet cunnie, playing with her clit till she was begging me for 'it'! 'Derek,... lover, do it to me, put it in me, before I burst...' If anything the connetion was sweeter than earlier, I slipped my knob into her gaping labia, immediately she operating her pelvis to ensure a firm possession as my prick thrilled to occupy her deeper. I gave 'it' to her alright, gathering on all my experience to make it a fuck to remember as I steadily filled up her love tube with steaming cock before starting in on the regular strokes of copulation. Wendy meeting me stroke for stroke as I came out to tease her clit with my deep ridge, then banged back inside to cram right up to the very depths of her glovelike quim. Very soon she bucked wildly and had her first peak, still I pumped on steadily controlling the urge to plough hard and ejaculate, rewarded as she came away from her climax and appreciated I was still rigid and ramming! 'Lover... oh lover, thank you... stay hard, do me hard... make it come again...

The bed springs protested loudly as I literally thrashed my fat organ in and out of her love tunnel, forcing her bottom into the mattress while she gurgled with pleasure and wound her shapely

legs up and around my buttocks to ensure deep penetration. I was going to come my lot in any second, told her so in breathless fashion at which she gave a crooked grin. 'Come then, lover, come in me... I'm ready... Ohhhh... Derek...' My name was yelled as my sperm jetted out, triggering for her another sensational orgasm that made her whole body writhe furiously, I seemed to spend for ages as I ensured every drop was deposited right up her cloying vagina.

Her beautiful, doll like face, had upon it an even more attractive feature as she lay back recovering, etched thereon the satisfied expression of a woman well fucked! I felt a glow of male ego to have been responsible for that satisfaction, eased my softened prick out of her glory hole at which she pouted prettily. 'Thats the best breakfast I ever had in bed, darling, lets do it again... soon?' We kissed and cuddled for a while, then I helped her redress before changing myself into casual gear. We munched our way through a pile of toast, drank fresh orange juice and planned our day.

We decided on a trip of some forty miles to Manchester, there to walk hand in hand around the shops and market, enjoying each other's company. Lunching at a central hotel, me careful to have only a pint as I was driving, Wendy had a couple of large martinis and her grip on my hand was decidedely more firm and suggestive as we wondered back out among the crowds. In a world famous chain store, grinning as we viewed an array of frilly undwear when she spoke of her feelings. 'I want you, Derek... badly... lets go, lover... please...'

I broke the speed limit most of the way, she not helping really for she unzipped my fly on the way back and took out my cock for a thorough handling! We got back to my place at three thirty, by three thirty five we rolling around the bed naked with me making for her smooth crotch and licking into her peach avidly. No doubt about it, having lit the fuse of her sexual desire I was now faced with a near nymph in Wendy. With a slight squeal she disappeared into my groin, her sweet lips closing around my knob and her tongue playing havoc as she lapped at me. We alternated with the oral bit for maybe ten minutes, until neither of us could stand the pressure anymore. I threw her unto her back, yanked her legs apart and got atop. 'Be strong, Derek, do me really hard... make it hurt...' I was rampant for the delicious woman, fed her my length with little delay as she moaned with the effort of acceptance. The fit perfection, this time all of my long pecker crammed up her gorgeous quim so that my balls slapped her bottom as I stuffed her rigidly. The harder I went the better she liked it, her face contorted into a wild mask as she seemed to be in a state of permanent orgasm throughout the whole period of the screw. My own climax came upon me rather suddenly, one second I was banging away merrily and the next huge gouts of rich seed were spilling into her burning pussy. I kept humping until I was not stiff enough to expand her cunnie, resting on her heaving tits with a nipple twixt lips.

We wined and dined that evening, choosing a smart night club, dancing until after midnight before returning to my bed. The now eager Wendy was sucking me into erection before taking up the driving seat and spearing herself on my stiff cock, she was very good in that position, making the fuck last a long time rewarding herself with a massive orgasm and milking yet another load from my sore tool. Nor was Sunday that much different, we fucked in the bathroom before breakfast, we fucked in the lounge mid morning and finished up her stay with an hour or more back in bed before she left in a cab at four thirty.

Yet another damsal to add to my list... perhaps you the reader will be heartily fed up with this continuing record of conquests? I propose next month to try and make you understand quite why I have adopted such an attitude, not seeking your sympathy, but merely endeavouring to put the record straight. To do that I need to go back over eleven or more years, me just twenty five and still making my way as an insurance agent. Ambitious and in love... yes, love.... with the lovely Stella, a girl I had met at a church social, a girl I became besotted with. Just twenty, five feet five of superb feminity, so innocent, so pure and delicious... or so I thought. During the first six months of courtship I got no further than a simple 'goodnight' kiss, nor did I press the issue for I was truly respectful of her expressed desire to retain her virginity until she was married... was that why I propsed? Maybe... but then I'll tell you more next month.

*EDITOR. Get your copy on order now! We know from the continuing flood of letters that readers are incensed with Derek's attitude. Can he convinced them of good reasons for his activity among the married women? Get next month's issue and decide for yourself.*

# FANTASY MANOR

A typical Monday morning in the grand ballroom at Fantasy Manor...

# WHERE IT ALL HANGS OUT!

Such a shame, that these girls have to be left to "enter-tain" themselves!

**FANTASY... THE THEME for 1984**

This year promises to be a great year for Britain's sex industry – with better models than ever appearing in fabulous sets shot in unusual locations. This is just such a set – it was shot during the making of the feature length video film FANTASY MANOR. In addition to Fantasy being incorporated into Fantasy Manor as the main theme its also the idea behind the new men's magazine ADULT FANTASY – so why don't you give FANTASY a try in your life? We hope you like this set of pix and here's the product details:

1. FANTASY MANOR – THE VIDEO

This 90 minute feature film stars new Sex discovery – ZETA. The film revolves around a rich couples fantasy of forefilling everybodies sexual dreams... they make their friends sexual fantasies become reality. This film covers every form of sexual activity including:

Group Sex, Lesbianism, Object/Self Stimuation, Explicit Intercourse, and Oral shots, F/M/F action. Its all in FANTASY MANOR in crisp, close up colour. This sensational video is available for hire or sale from your local video shop – but YOU MAY HAVE TO GET THEM TOR ORDER IT FOR YOU. However, its available, without ordering it from any of the Private Adult Shops (see the address of your nearest shop by looking at the advert on the back of this magazine) – just £34.95; or hire it for £2.95 for 24 hours or £4.95 for a week. In case of difficulty order it mail order by writing to: Mail Order Video Division, 34 Upton Lane, London E7.

2. ADULT FANTASY THE MAGAZINE – just 95p

This magazine contains nearly 100 colour packed pages and is exceptionally good value at 95p. Each issue contains: the sensational ZETA; sets of photos of at least 8 top models, A World sex tour with the low down of the worlds sexiest places, Readers Wives and Letters, great FANTASY competitions in which YOU can enter and where your fantasies become reality, TOP NATIONAL NEWSPAPER MODELS nude. ALL THIS FOR JUST 95p! However, there is one small catch ADULT FANTASY is NOT available in sexshops or mail order – only from your local newsagent AND its selling so fast you may need to ORDER a COPY.

We hope you enjoy this set of pictures AND both FANTASY MANOR THE VIDEO and ADULT FANTASY the magazine.

Meanwhile, in one of the upstairs changing rooms, a hired stud and a porno movie star get in the mood for tonight's "performance" – in front of the debauched Lord Hampton!

"C'mon, Luv – How's about an un-dress rehearsal?"

Ee, a man could ruin 'imself on a lass like you...

Oh alright! Let's get it over with – Is it hard yet?

Mmmm, I reckon 'is Lordship'll go a bomb on us! Like a pair of snakes on Spanish Fly, aren't we!

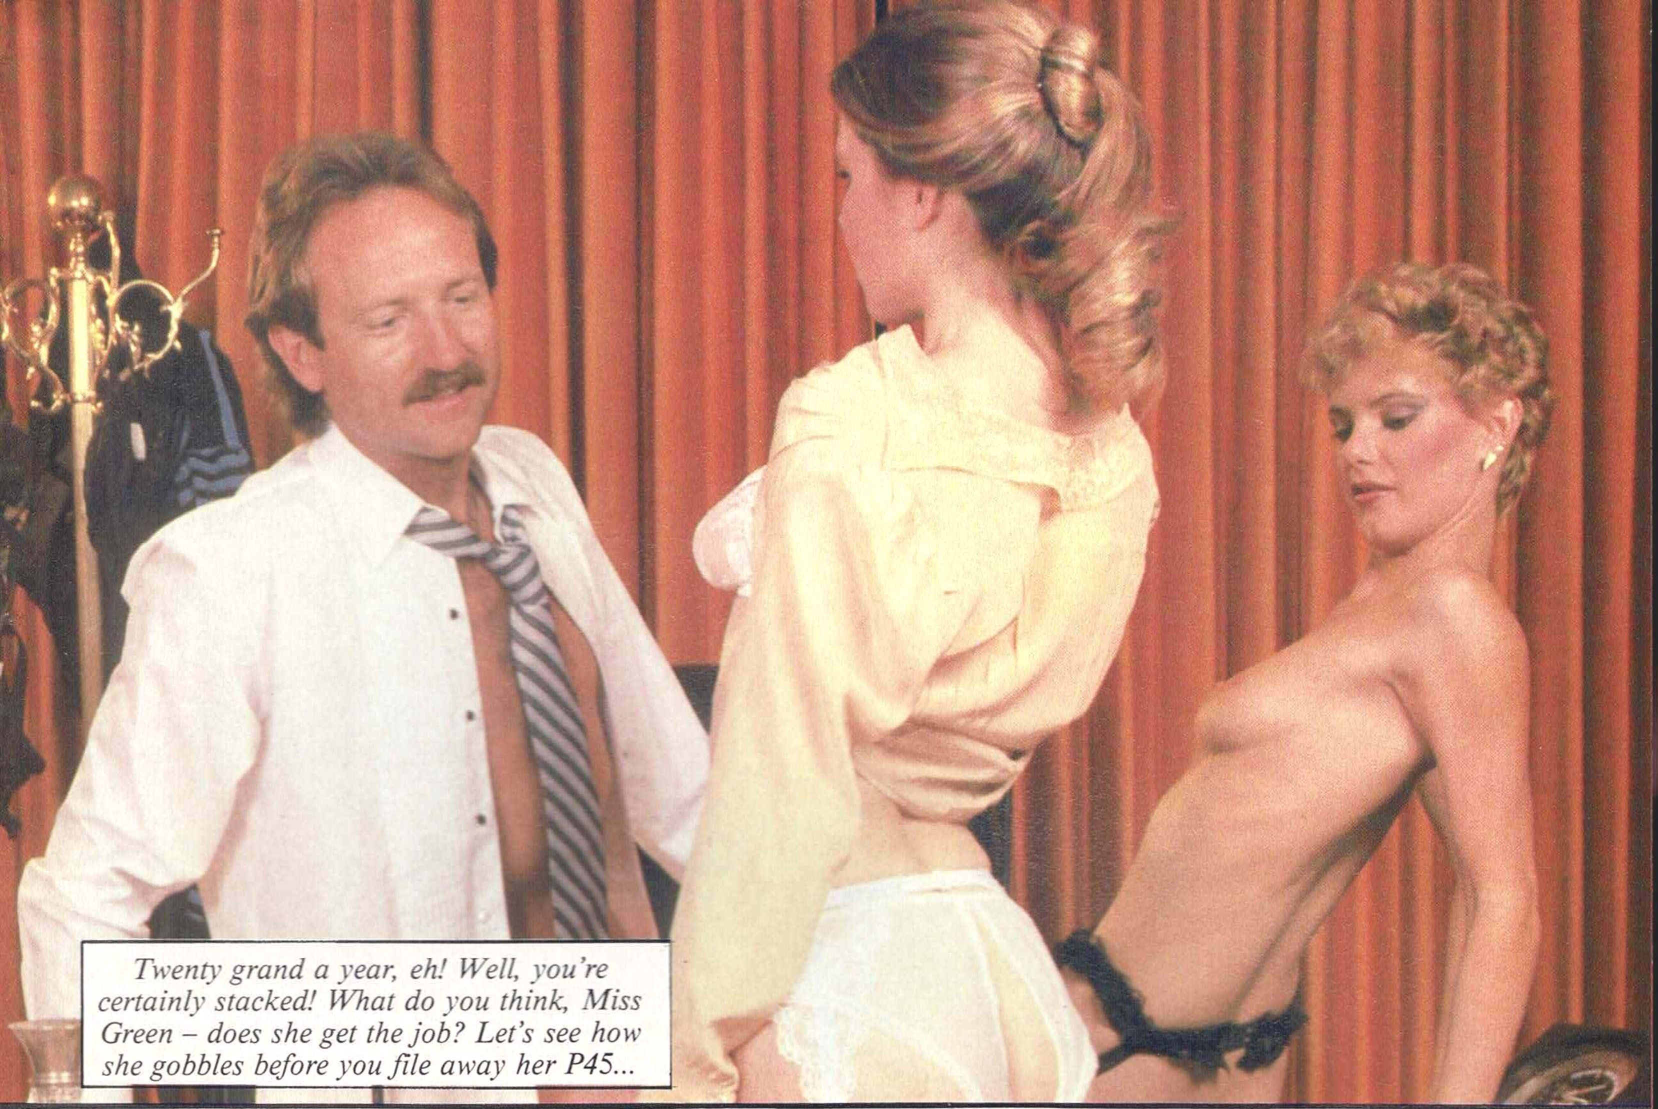
*REALLY Mr Barker! Unhand me this minute – or give me the £20,000 p.a. I originally asked for!*

***We at PLAYBIRDS CONTINENTAL have a high turnover of secretarial staff: now that "sexual harrassment" is such a popular theme at industrial tribunals, our former employees are queueing up with claims! Perhaps the following photo-sequence helps cast light on this peculiar state of affairs...***



*Twenty grand a year, eh! Well, you're certainly stacked! What do you think, Miss Green – does she get the job? Let's see how she gobbles before you file away her P45...*

*What's that you say? £17,500 p.a.? No way, Boss! If you want regular access to THIS little piece of hot meat, I want the full twenty G's!*

# FANTASY MANOR - SEX GAMES AT FANTASY MANOR

***Just what is the truth about Fantasy Manor? Let's face it, this place has been mentioned a lot in the papers recently, and the rumours are that Fantasy Manor is where sexual dreams come true. We thought it we would find out the truth, and we put our best reporter onto the job. This is his report.***

What goes on at Fantasy Manor is usually kept very secret, howeve, using my contacts, I was able to talk to some people who had been there.

First, some background. Fantasy Manor was opened by Gloria and Max, and they decided to turn this huge rambling country house into a place where people could go to have their sexual dreams turned into reality.

In other words, if you have a secret sexual fantasy – no matter how kinky it may be – you pop along to Fantasy Manor, have a word with Gloria or Max, and they then set the thing up, they make your wildest dreams come true. Seems a remarkable place, doesn't it.

Well, I hit lucky with the first person I spoke to, who was Ted, he'd had a great time there, and this is what he told me:–

"My sexual fantasy had always to be an arab slave master, to be in charge of a harem of women, those women having to do anything and everything that I told them.

"I wanted to be in charge, to have naked women fawning over me, pandering to me, to be powerful, to have those women do anything I commanded.

"Well, there was no way that fantasy could come true in the normal course of events, but then I heard about Fantasy Manor, and decided to give it a try, and when I got in touch with them and spoke to Gloria, she said mine was a lovely fantasy, and she would have fun setting it up for me, and if I were to turn up at the manor in three days time, it would all be fixed.

"So I turned up there, and Gloria was very nice, and she dressed me up in arab robes, said I was now a slave master, and then she took me into this huge room, and in that room with many naked women, and Gloria introduced me, said I was the boss, and the women would do everything I asked. That room had been decked out like a real harem. She then took me into the next room, where there was a huge bed and rugs and cushions, drinks and food, and said this was my room, all I had to do was clap my hands and pretend to be a real slave master, and then the girls would do all I asked, and with that she left me.

"I got myself settled comfortably on the bed in my flowing arab robes and thought I would put it to the test.

"I clapped my hands and shouted out for one girl to come in, and she walked through the door, stark naked and really beautiful, she bowed and then said. 'Your slightest wish is my command, oh slave master.'

"This was great, a fantasy coming true at last. I looked at her and said she should stretch out across the end of the bed and then wank off. She said it would give her great pleasure to do so in front of her slave master.

"She stretched out, her firm breasts heaving, and her nipples really hard and stiff, and then her right hand moved slowly down to her cunt, and then her fingers were rubbing at her pussy lips, and those fleshy lips grew very wet as her juices started to cream up inside her, and then, with a sigh of delight, she eased all three fingers all the way into her cunt and started to wank off.

"I clapped my hands again, and had two more girls came in, and they undressed me, and then I clapped again, and two more naked girls walked into the room, and they all bowed and said I was their master.

"Well, it was a great scene, a real fantasy come true.

"I told the girl at the end of the bed to keep wanking, and she did so, her fingers flashing in and out of her cunt, juices flowing, and she was having orgasms.

"I told the two girls who had undressed me to get on the cushions by the side of the bed and fuck with each other.

"Those two kissed and sucked at each other's tits, and they were doing it for real and then they got into the 69 position and started to suck each other out.

"I leaned over and watched, they were doing it for real, tongues slurping at each other's wet cunt holes, both of them having orgasms as they did so.

"I told the remaining two women to get onto th bed, one either side of me, and told them to suck my cock, to suck me off all the way and then share my spunk out between them when I came.

"This was great, two girls fucking each other, another girl wanking, two other girls going down on my cock. It really was a fantasy come true, and it was very obvious that Fantasy Manor had pulled out all the stops to make it come true.

"One girl was licking at my balls, one was lapping at my shaft and glans, and they were real experts. I was looking at them, then looking at thw wanking girl, then looking at the two girls sucking each other, no wonder my cock was harder and stiffer than it had ever been before.

"One girl now had my cock all the way into her mouth, she was blowing in and out with her cheeks, and the other one was sucking at my shaft.

"Then the wanking girl took her fingers from her cunt, and she placed those wet and very sticky fingers inside her mouth and gave herself another huge orgasm as she licked the juices from them.

"I was being sucked off a real treat.

"The two fucking girls broke apart, and then one finger fucked the other one, while the other one played with her own tits, they did this for a

while, and then got back into the 69 position and sucked each other out all over again. Yes, this was a real fantasy come true for me, thanks to Fantasy Manor.

"I was close to coming, and the girl sucked hard, and the other one played with my balls, and then my spunk started to erupt, and the girl quickly took my cock from her mouth and held it close to her face, and the spunk gushed out all over her face, more spunk than I had ever shot before in one go, and as that hot sperm showered ove her face, her eyes went wide with delight, and she had a climax.

"The other girl pulled on my balls and shaft, making sure that every last drop was drained from my cock.

"Then came a lovely part, the second girl who had been working on my balls, moved over, and she then used her tongue to lap my spunk from the first girl's face. Now that had always been a fantasy of mine, to see that, and at last it had come true.

"I clapped my hands and sent the girls back to the harem, and then had something to eat and drink – there was food and drink in the room, and when I had rested, I clapped my hands and ordered another two fresh girls to come into the room.

"They got onto the bed, and I told them to suck me till I was hard, not suck all the way, just get me hard, and when I was nice and stiff, I told them to suck each other's tits, and when I'd had enough of that, I told the first one to finger fuck the second one to an orgasm, and then lick her fingers.

"She did that, licked her fingers, and then placed them back into the second girl's cunt, finger fucked her all over again, and then, instead of lapping the juices from her own fingers, she placed her fingers in the second girls mouth, and that girl thus lapped her own pussy cream from those wet fingers, and that was a right turn on, I can tell you.

"I thought it time I had a fuck, and so I made those two girls stretch out side by side, and then got on top of the first one, and her legs opened, and I rubbed the head of my cock against her cunt lips, felt the juices dribble out, and then she had an orgasm on the spot as my hard cock slipped into her very wet pussy tube.

"I started to shaft her, and while I was going in and out, the second girl leaned over and she used her tongue and lips on my girl's tits and nipples.

"Her cunt was really hot and wet, and it was sheer pleasure to thrust in and out, but I went nice and slow, only fucked her for about a minute, and then I pulled my stiff throbbing cock from her cunt, and moved up, and got her to lick her own hot creamy juices from my prick, and she enjoyed doing that very much indeed.

"I then got on top of the second girl and slowly pushed my prick into her cunt, and her pussy cream was even tighter than the first girl's, and the first girl got behind me while I was fucking that second pussy hole, and she put her tongue to work on the cheeks of my bum, and that was very nice indeed, believe you me.

"I fucked that second girl for a while, and then pulled my sticky cock from her pussy, got the other girl to stretch out, slipped her the full length, and fucked her.

"It was great, for I was fucking nice and slowly, making it last as long as I could, just moving from one cunt to the other.

"I was deep inside the first girl when she started to heave up and down, had this huge orgasm, and her cunt walls really pressed hard against my cock, and I gave a loud shout and then spurted my spunk into her tube, and this gave her even bigger orgasms.

"I waited till everything had gone, then slipped my cock out, and the second girl, without even being asked, went down on me, and she took my cock into her mouth and hungrily licked and sucked the odd drops of spunk and pussy cream from it.

"I pointed at the first girl, she was still flat on her back, legs apart, and a thick trickle of spunk was coming from her pussy, the second girl saw where I was pointing, and she smiled, and without another word from me, she went down on the girl I had just fucked, and she pushed her tongue into that cunt hole, and she slurped away like mad.

"Well, I was there for the entire day, and I could go on and on about the things I did with those girls. But let me just say this, they did everything I asked, sometimes did things without me even having to suggest it, and those things were sometimes very kinky indeed.

"All I can really say is that Fantasy Manor really does deliver the goods, they have a first class service, and as far as I am concerned, they do turn a sexual fantasy into a sexual reality, right down to the very last detail. I understand that they have a waiting list of six months to get into that place, and when you consider the perfect service they offer, you can't wonder at it."

Well, a very satisfied customer you might say. But how do Fantasy Manor treat female customers. I thought I ought find out, and so I spoke to Jill, and this is what she had to say for herself, and about the treatment she had at Fantasy Manor:–

TOBY WARD LTD

"My fantasy has always been to be a hooker for a day. I am young, and rich, and couldn't possibly go out and pretend to be a hooker in real life, so I got in touch with Fantasy Manor and told Gloria what I wanted, ans she said no problem, she would arrange my hooker fantasy right down to the very last detail.

"So I went there, and Gloria dressed me as a real tart, a real common street hooker, and then she told me to go down to the local village.

"She said she had hired several studs who would act as customers, that she had arranged with the local hotel that I could take them there one by one.

"I walked down to the village, and I felt like a tart, even looked like on, a real one, so the first part of my fantasy was already coming true, and it gave me a great thrill, so much that I walked into the village with my knickers very wet.

"I stood by the village green, and this good looking man came up, asked me how much, I told him, and we went to the hotel, of course, being a hooker, I didn't have any choice in what went on, after all, he had given me money, he was the customer, I had to do as he asked.

"We got to the hotel, he gave me the money, and said he wanted a blow job. He undressed, and I saw that Gloria really had gone to town when she hired these men, for this one had a really huge cock.

"He stretched out on the bed, and I went down on him and ran the tip of my tongue up and down his thick shaft, and then brushed my tongue over the head of his glans, and the salty taste was very nice.

"I was half twisted towards him, so this meant while I was sucking his cock, he could reach out and use his right hand on my pussy, and he did that, and then thrust three fingers inside quite hard, and I loved it as those hard stiff fingers banged in and out of my cunt. He was rather rought, but then again, I was supposed to be a hooker.

"I sucked hard and long, and then when he came he made me drink down every last drop of his spunk, and it gave me an orgasm as I did so.

"When we had got dressed and left, I dressed and wandered through the village, and the next customer picked me up, he was tall and nice, and we went to the hotel, and he handed me the money and said I should get on top of him and hurry up about it.

"We were both naked on the bed, and he really was treating me like a real whore, and I loved every single second of it.

"I lapped his cock for a few seconds to get him hard, and then I faced him and crouched over his penis.

"I then lowered down and rubbed my fleshy cunt lips over his cock, rubbed them till his cock was coated with juice, till large drops of juice were rolling down his shaft, and then I sat down very suddenly.

"His cock went all the way up inside me, and gave me a climax right there and then, for it just had to be the biggest cock that I had ever had inside me in my life.

"His hands came up, they played with my tits, and then he shouted for me to go up and down as fast as I could on his cock and me, being a hooker for a day, had to do as I was told.

"Up and down I went like the clappers, that cock of his bigger and harder inside me with each passing second.

"Then the spunk started to fly, it whooshed up into my cunt.

"I rolled from him. He looked at me and demanded that I wank myself off. Well, I was a hooker, he had paid well.

"I stretched out and reached down, and then slowly pushed three fingers all the way into my spunk filled cunt hole.

"It was the first time in my life that I had ever wanked off with spunk inside me.

"It felt really funny, and nice, and lovely to have apunk sticking to my fingers, to have spunk slurping about inside my quim as I wanked off.

"He told me to wank faster, and I did, he told me to wank till I climaxed, and I did that. Then he told me to take my fingers from my pussy, and I complied.

"He then told me to suck my fingers. In real life I would never have dreamed of doing such a thing, but this was my real life fantasy, this was my dream come true, I was a hooker for the day, and one of the conditions that Fantasy Manor had laid down when they had set it up for me was that I would have to do everything my customers asked of me.

"I pulled my fingers from my cunt, they were coated with spunk and pussy cream, and then I popped them into my mouth and gave them a good sucking, and drank down all the stuff, and you know, that taste was so good that I climaxed right there and then.

"I had many men that day, lots and lots of them, and some of them made me do really kinky things, and I must say that Fantasy Manor made every single aspect of my fantasy come true."

It seemed that the lady fucked with ten men that day, that she was really pleased at the way Fantasy Manor had arranged everything for her.

Well, we haven't time to quote all the people that I spoke to who had been to Fantasy Manor, there was Mary and John, who asked them to arrange a wife swapping party for them. There was Dick who had this thing about watersports and women in high heels, there was Delia, who had this thing about wanking off in front of a group of men on stage.

All of them said they'd had a great time at Fantasy Manor, that Gloria and Max had been very kind, that the fantasies had been worked out to the last detail.

The there was Trish, she was twenty five, rich and pretty, but had a sheltered life, and I spoke to her about her fantasy, and what Gloria and the others at Fantasy Manor had done to make it come true, and this is what she told me:

"I had always wanted to find out if I could be bisexual. There was no way, for family reasons, that I could do this at home. My fantasy was that I would be in this room, and women would teach me about bisexual love.

"I got in touch with Fantasy Manor and spoke to Max and Gloria, and they said they would be more than happy to set my fantasy up, that they would soon find out if I were bisexual or not, and they invited me down to the manor the following weekend.

"I went there and met Gloria, and she realised I was nervous about the whole thing, and she put me at my ease, she told me not to worry, that the women she had picked to help me were very sexy, kind, beautiful, and very understanding, and they would do various things to me, and teach me all about the various arts of bisexual love, and with that she took me into this bedroom.

"It was a very large room, and the bed was big, and there were mirrors all over the walls, and she left me saying that I would soon be taken care of.

"A few minutes later a woman walked in, a very beautiful woman, who said her name was Kate, and that she and Sue, who would be along later, would help me with my bisexual love fantasy.

"Then Kate undressed me, and she did it slowly, and when I was naked she looked at me and then led me over to the bed, and while I stretched out, she got undressed, and she said that she would teach me most of it, and then, later, Sue would come in and show me the use of the dildo.

"Kate joined me on the bed, and she pulled me to her and I could feel her breasts pressing against mine, could feel her stiff nipples rubbing against my stiff nipples, and this sent a thrill of joy through me, and I felt myself start to cream up inside my cunt hole, and I think I realised right there and then that I was a real bisexual, for I was soaking wet inside my cunt.

"She kissed me on the lips, and her tongue went all the way into my mouth, and her cunt rubbed against my cunt, and just having her kiss me like that gave me an orgasm.

"She pulled her head back, smiled, said I was a bisexual, and then she kissed me some more, but this time, as she kissed me, her right hand moved all over my breasts, her fingers pulling gently at my nipples.

"We kissed some more, her right hand went down, and I jerked with passion when I felt her fingers touch my wet quim lips.

"It felt so very good, and then, two of her fingers went slowly inside me, the first time another woman had ever done that to me, and as her fingers went ever so deep into my cunt, I had another orgasm.

"Then, still kissing me on the mouth, her fingers started to plunge in and out of my hot cunt hole, very fast indeed, and my juices were now spurting out all over the place, and the orgasms were powering through my naked flesh one after the other. It was one of the best sexual experiences of my young life.

"After a while she pulled her fingers from my cunt, placed them in her mouth, licked them, smiled, said I tasted very good indeed, and now was the time to suck me out.

"I tingled with lust as she moved down my naked body, and then I climaxed as I felt the tip of her tongue on my cunt lips, and she lapped gently, gave me an orgasm, lapped some more, and then, when her tongue went inside my cunt, I knew without doubt that I was a real bisexual, for the orgasm I had as she started to slurp out the juices from the inside of my quim, was the best orgasm of my life.

"I shouted and yelled and wailed with delight as that tongue of hers explored every single part of the inside of my quim hole.

"Then she sucked hard, so that it felt as if the inside of my cunt, my entire inside, was being drawn into her mouth.

"She sucked me out for ages, and then she pulled her head back, licked her lips, and then

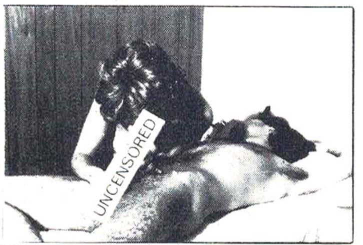
We hope you enjoy this magazine and the others in our range — you can't buy anything stronger in newsagents. These large colour magazines are as strong as any imported material. Look at these two mags:

### 1. PORNO MODEL

Superb 100 page magazine. Introduces ACTUAL EXPLICIT shots of sexual intercourse (first British mag to feature this), plus vibro masturbation shots, flap shots, fist ducking, actual penetration intercourse and actual penetration oral sex shots. This is the strongest magazine ever printed and sold in Britain. Mail order price £2.75

UNCENSORED



### 2. PORNO

As the title suggests non-stop porno stories and colour pictures from end to end. The most explicit sex magazines ever published. Covers every form of pornography and sex. Group, Les, objects, the lot. You've never seen a book like this. Just £3.25 mail order.

rolled round and stretched out, suggested that I should now suck her, and that when I sucked her twat, I really would be a bisexual lady.

"I did not hesitate, for sucking her cunt was something that I wanted to do very much indeed, and I soon had my head down there between her thighs, and was breathing in the hot sweet scent which was coming from her cunt.

"I poked my tongue out, and then, for the first time in my life, I licked another woman's cunt lips, and it was a glorious taste, I loved it, the taste and scent and texture of her cunt lips was out of this world.

I used my fingers and parted her cunt lips, and then looked inside her hole, and loved the view, all hot and pink and wet, and then I pushed my tongue in there, and she heaved with pleasure, and as my tongue moved about inside her fuck hole, the juices gushed into my mouth, and I drank them down as fast I could go.

"We got into the 69 position after that and sucked each other out very hard and fast, and I was loving being bisexual.

"After a couple of hours, she left the room, and said that Sue would be in to finish off my education, and Sue came in, naked, with a huge dildo in her hand.

"She got on the bed, and I watched as she strapped the dildo on, it looked as if she had suddeny grown a huge cock, and then she told me to get on to my hands and knees, and when I had done so, she pushed the dildo inside my cunt from the rea, and then she heaved and banged with her hips, fucking that dildo in and out of my cunt as if she were a man, and it was wonderful.

"She pulled out, unstrapped the dildo, and then handed it to me, and I strapped it on, the balls of the thing pressing against my cunt as I moved closer to her, and she was now on her hands and knees.

"I eased the dildo into her, placed my hands on her beautiful bum cheeks, and then thrust that dildo in and out of her cunt as hard and as fast as I could go, fucking her as if I were a man, and loving, and having orgasms myself as I felt those balls banging against my twat.

"This went on for ages and ages, and then we threw the dildo away, and I went down on her and sucked her out and slurped her out, and sucked and licked and lapped at that pussy of hers till my stomach seemed to be full of her cream.

"Yes, those people at Fantasy Manor really did make my sexual dreams come true."

There were other people, many of them and all of them said that the people at Fantasy Manor really did do all in their power to make hard sexual fantasies turn into sexual realities. Yes, Fantasy Manor does seem to be a very amazing and remarkable place.

# READERS LETTERS

*Dear Editor,*
*Isn't it about time that someone spoke up against the repressive censorship we suffer from in this country.*

*I have been reading that the powers that be are trying to close down all the sex shops in the country. Now millions of people go into sex shops each week, and so what right have the politicians got to try and close down these shops and deny people their rights0*

*I don't go into sex shops very much, but that isn't the point, I can take them or leave them, but it is the principle of the thing which is at stake here.*

*I have the right to decide for myself whether or not I go into a sex shop. But the authorities are trying to take away that right of mine, that right to decide for myself, for if they close down all the sex shops then I won't have my choice left at all.*

*The same thing is happening in other areas. Blue films are banned, massage parlours are being raided, and people who make blue films, or who run massage places, are being put into prison.*

*Now this is very wrong indeed. Let's face it, we are one of the few countries in Western Europe, indeed we are the only country, with this sort of sexual censorship.*

*I am an adult, and as such I should have the right to read and see and go where I like. I should have the right to watch a film without it being cut, I should hae the right to decide for myself what I see or do or read.*

*It is about time that the people who run this country were made aware that millions of people are fed up with what is going on.*
*GTR, Manchester*

***Well, you can make them aware. If you, and everyone who thinks like you, were to write to their MPs, at the House of Commons, and make your feelings very plain, then things would change. But one letter from just one person will not be enough. Everyone who believes in freedom from censorship must write, must write now to their MPs.***

***It will only be by writing and shouting and making sure that us silent majority are heard throughout the land that the law will be changed.***

***We have been fighting for a change in the law for years, but we need your help. So, please, all you adults who wish to be treated like adults, get out your pen and write to your MP. It is the only way to get things changed. Editor.***

*Dear Editor,*
*I thought that getting a really good hard adult video was almost impossible in this country. Well, after waiting a long time for a good one to come onto the market, I have at long last seen a video that is adult in every sense of the word.*

*It is called Fantasy Manor. It is all about this country house which is turned into a place where people can go to have their sexual dreams come true, and it stars Zeta, the girl everyone seems to be talking about these days.*

*People go to this place, name their fantasy, and the owners then arrange for it to come true.*

*One man goes there and wants to be an arab prince for a day, so he is dressed up like an arab and then taken into this harem where there are many naked and very beautiful, slave girls.*

*He does anything and everything with them. I mean that. He makes them have lesbian sex, and then he fucks them. This is a really hard scene.*

*A woman goes along to Fantasy Manor saying that she want to find out what it is like to be a lesbian, and she is taken to a room where there are three very lovely lesbian ladies, and those three women teach that girl all there is about lesbian sex, and believe you me, you won't see harder or stronger lesbian sex than this.*

*A woman wants to be a whore for a day so she is dressed up like a real tart and then goes down to the local village where some studs pretend to be her customers, and they fuck this woman silly, and in this scene you get some kinky sex.*

*There are orgies and wife swapping, and all sorts of way out sexual fantasies coming true. The standard of production of this video is first class, the story line is very strong, the acting is good, and the actual filming leaves nothing to be desired. I would say that this tape will become a real classic, it just has to be the best, hardest, and hottest adult video ever released in the UK.*
*TR, Plymouth*

***Readers might be interested to know that Fantasy Manor in its UNCUT form is now available by sending £34.95 to: Video Division, 34 Upton Lane, London E7 (state the make of your machine when you order) Or you can call in person at any private adult shop. The latter also rent it for £2.99 per night. You can see the address of your local Private Shop by looking on the back of this magazine.***

***Fantasy Manor is also available from good video shops (in a certificated cut version) - they'll rent it or sell it to you - But they may have to order it for you - so place an order for it with them!***

*Dear Editor,*
*Can't something be done about the censorship thing in this country   Every time I open a paper I read about a sex shop being raided, about a massage parlour being closed, about someone being sent to prison for making blue films.*

*It really is a stupid situation. Other countries don't have this problem, they treat adults like adults, and as an adult, I claim the right to have freedom of sexual expression, freedom from censorship.*

*As an adult, I should have the right to see and read what I want to. I shouldn't have some stupid old politician saying what is good or bad for me, as an adult, I am quite capable of making up my own mind what I should read.*

*The government are there to serve us, not us to serve them, and the sooner they realise this fact of political life the better.*

*No one is forced to, for instance, read porn or see a blue film, people read and see those things out of choice, and therefore it follows that no one should force me not to read or see them.*

*I, as an adult, should have the rights that people in other countries have. Did you know that we are the only country in the EEC which has such rigid censorship of commerical sex for adults0*

*In terms of censorship we are back in the middle ages, no wonder they call 1984 the year of Big Brother, it would seem to me that the politicians want to protect us from everything, even from knowing why they are doing these things.*

*There is far too much secrecy in political circles, and one of the biggest secrets is why they think they have the right to tell me, as an adult, what I should or should not read.*

*I think it is very wrong that the sex business in this country is being closed down at the whim of a group of politicians. Anyway, look at the state of the country at the moment, look at unemployment and other things, and then ask yourself, do these people really know what is best for us.*

*Censorship is wrong, it denies you and me our basic human rights of freedom of sexual expression, no one has the right to tell me what I can or cannot read.*

*We complain of what they do in Russia, say that we are very lucky not to live in Moscow, but are we? Let's face it, when it comes to sexual censorship we can't be far behind the Eastern Block countries.*

*Freedom of expression is a right we all have and in Western Europe, we are the only country where these rights are being taken away from us.*

*Sexual censorship is a bad thing. By all means protect under age people, but as an adult I do not need the protection of the law, all I ask is the freedom to decide for myself. I want the right to read and see what I like.*
*Ben L. Portsmouth*

***Many thanks for your letter, Ben. We agree with most of what you say. Mind you, something can be done about it, but only if we all pull together.***

***There must be millions of people in this country who feel the same way as you do about sexual repression and censorship.***

***If all those people sat down, right now, right at this moment, and wrote a letter to his, or her, Member of Parliament, then you would find that something would be done right away.***

***What we would like is for all you millions of people who agree with Ben, to sit down and write to your MP, and tell that MP that unless he does something very quickly to change the sex censorship laws in this country, then you will not vote for him.***

***If each MP had a few thousand letters from people saying this, they would get very worried, they would realise that if all you people didn't vote next time round for him he would be out of work, and MPs do not like being out of work.***

***So please, all of you out there, all you millions of adults who wish for sexual freedom, please write to your MP, and then write to the Home Office and make your feelings very clear.***

***You are not asking for very much, all you are asking for is sexual freedom, freedom from repressive sexual censorship, you are merely asking for your rights as an adult human being, rights, which Ben so rightly says, are being taken away from you.***

***We, at this magazine, are doing our best, but we need help, so write. unless you all write then nothing will ever be done. Editor.***

*Dear Editor,*

*As you know, there are a great many contact magazines on the market at the moment, and some of them, quite frankly, are a load of rubbish. Either they don't pass your letter on, or else the adverts are fakes, but whatever the reason, you never seem to get a reply.*

*That is why I thought I would write to you, for I have found a contact magazine which is really genuine, a contact magazine which does deliver the goods. I have been using it for some time now, and I have had a reply from every woman I have written to.*

*That doesn't mean that I have fucked ever woman I have made contact with, that would be asking a bit too much, for when you meet, they sometimes don't like me, but out of the ten women I have written to so far I have been to bed with six of them, and I reckon that is a pretty good average.*

*Also, and this is an important part, in this contact magazine all the adverts are really genuine, and this means no tarts or hookers after your money. I have not once been asked for money by the women I have met, they have all been genuine women looking for sex.*

*The contact magazine I am talking about is called Street Meet.*

*Remember that name Street Meet, you can find it on sale at most adult shops, and you have my word for it that it is a genuine magazine.*

*Let me give you an instance of this. In the last issue there was an advert from a woman called Helen, she said she wanted sex badly, and I wrote off to her box number, and they passed it on in the normal manner, and a week later I had a letter from Helen, who said she liked my letter, and we should meet for a drink.*

*I met her at a pub, and she was a very beautiful lady, and we talked for a while, and after about an hour or so she said she had made up her mind, that she did like me, and why didn't we go back to my place. It seemed that she was short of sex because she had just moved into the area, and had not had time to make friends, and that is why she had placed the advert in the contact magazine.*

*She proved taht she was really desperate for it as soon as we got into the bedroom, for she pulled my clothes from me, yes ripped them from me, and then got undressed herself.*

*She was like a wildcat in bed, touching, pulling, grabbing hold of me, and then she lay back, opened up her long legs, and said she was ready for a fuck, in fact she just about begged me to push my cock inside her.*

*As soon as I got my cock inside her, she started to jerk and heave and buck about like anything, and she had orgasms all the way through that fuck.*

*It was an amazing fuck, and to think, it was for free, that I had found this woman through the contact magazine.*

*Well, she had a huge orgasm when my spunk went into her, but even after that, she was still so randy, that she even pushed a couple of fingers into her spunk filled hole and wanked off. Mind you, I have found that all the women I have ever contacted and met and fucked through the magazine, have turned out to be just a little kinky.*

*When she had recovered, we had a shower, and then later on she went down on me and she took my cock into her mouth, so far in that my glans were almost down her throat, and then she sucked and slurped at my cock till I came, and when I did come, she drank down every last drop, and you should have seen the orgasm she had when my sperm went down her throat.*

*That was just one woman, all the others that I have met through Street Meet have been just as wild and sexy.*

*I would say that this particular contact magazine that I bought at my local adult shop, is the best publication on the market.*

*It has never let me down, and as I've mentioned, I have met some really great women through it. I would say quite firmly, that if any of your readers are going short of sex at the moment - and we all do that from time to time - then they should go out and get a copy of Street Meet, they have my word for it that it is a very genuine magazine, and the results you get from it are first class.*

*P.S. Plymouth.*

---

*Dear Editor,*

*Just read all about Zeta in your magazine. What a really remarkable woman she is. I used to think that all sex stars were interested in was rich young studs, but it would seem that Zeta goes for people like me, just average, man in the street types.*

*It really is to her credit that as she travels round the country she looks out for men who are down on their luck, listens to them, gives them help, and then makes their sexual dreams come true.*

*I hope that we will be seeing more of her, and hearing more of her obviously true sexual adventures, in future issues of your magazine. She really does come across as a genuine warm hearted lady.*

*She also looks very good, those breasts of hers are fantastic, and her nipples are the sort that make your mouth water. She has a lovely body, and a charming way with her, and when you add to that body the fact that she goes round making sexual dreams come true for people she thinks deserve it, then it all adds up to a very amazing woman.*

*But when are we going to see some really hard nude shots of her. I'm sure her pussy looks as good as the rest of her, but so far we haven't seen it.*

*LKP, Leicester*

***Just wait a little longer and your wish will come true. It seems that all copyright in her nude stuff is held by the blue film studio she worked for in Sweden, and at the moment we are talking with them to try and get the pictures sent over here. We have seen some of them and they are amazingly hot and hard, so as soon as we have the rest, we will publish them in this magazine. Glad you like Zeta, she really is a warm and very understanding woman, and as you say, he sexual adventures really are genuine, this lady really does go out of her way to help people. As she has written, supe studs are not her cup of tea, she prefers the man in the street any day of the week. Lucky old 'man in the street', that's all I can say...Editor.***
